

FRONT-END DEVELOPER

ABOUT ME

I am a Frontend Developer who combines aesthetics with functionality. I create modern, responsive web applications with React and Next.js, focusing on performance, solid code architecture, and great user experiences. I enjoy learning new technologies and growing within a team where I can work on ambitious projects and deliver real value.

EXPERIENCE

DEVELOPMENT · PRACTICE · COMMERCIAL APPLICATIONS

2021 – NOW

Front-end Developer - Freelancer

Creating modern websites and web applications with React, Next.js, and Tailwind CSS. Working with clients throughout the entire process – from UI design and development to deployment. Deploying to Node.js servers, managing Git/GitHub repositories, and continuously improving and optimizing projects.

Selected commercial projects:

- telefonygorlice.pl - phone service
- focuseye.pl - photographer
- sosniegorne.pl - cottages for rent
- veloway.pl - bike service
- lesnaenklawa.pl - cottages for rent
- pyszotka.pl - bakery
- demo-transfers.vercel.app - airport tran.
- hotelmiodowa.pl - hotel

2019 – NOW

Receptionist - Hotel Miodowa***

Serving hotel guests, handling reservations, maintaining high service standards, and representing the property. Experience that developed my organizational skills, communication, and teamwork. Resolving ongoing IT issues at the hotel (computers, reservation systems).

SELECTED PROJECTS

ORIGINAL DESIGNS · REAL-WORLD SOLUTIONS

BankoŁowca

A web application for tracking bank promotions. It enables promotion management, progress tracking, adding custom goals, and using AI to process PDFs in order to create promotions. Built with Next.js, TypeScript, Prisma, and Tailwind CSS.
